To whom it may concern :

Please accept this letter as our highest recommendation for Sealand Logistics Solutions.

We have had the opportunity to work the Sealand over the past six years thorough a variety of Telecommunication and Electronics projects from Busan Port Korea to Port Qasim Pakistan. Some of our projects are still in pipeline.

Sealand Logistics Solutions and it's Director Khawaja Salman Hamid have demonstrated a professional and ethical caliber during this time and we strongly recommend Mr. Salman Hamid and Sealand Logistics Solutions.

In closing, we would welcome the opportunity to work with them again.
